Let's have the call at 8:00AM so we make sure we cover any points that maybe remaining.

Rick, Rosemary,

Can you please send us an e-mail with the points that you feel were not resolved? I was under the impression that our consultants and engineer did a very thorough job addressing all the points you raised in our last call on December 3rd and in the meeting we had on 11-25-13.

Happy New year,

Yuval Bar-Zemer

Either time works. I will need to get off of the phone by 10. Thanks.
